

# Mondovi Elementary

# Objective

Tell you three things that are really important in our building

Three qualities that we look for when hiring

Building Goals

How they have evolved

15.16 Goals and Results

# PBIS

## Positive Behavior Interventions and Supports

Be Respectful, Be Responsible, Be Safe

Assume nothing teach everything in all school environments

Proactive vs Reactive

Consistency from classroom to classroom and grade to grade

Increases instructional time

Helps to identify those students who need more support

# RtI

## Response to Intervention

½ hour intervention time within our day (Target Time)

Small group/individualized instruction (differentiation)

Use data to help identify students

Electronic data wall

Below, Approaching, Meeting, Exceeding

Focus on Math and English/Language Arts

# PLC's

## Professional Learning Communities

Teams meet every Wednesday from 3:15 to 4:00

Built on the belief that all students can learn at high levels

Our students instead of my students

Structures and resources in place to help each individual student succeed

Common Assessments

Data

# Three qualities we look for when hiring staff

Student centered

Dedicated /great work ethic

Collaborative

# Building Goals

School Improvement Committee

Measurable-use data

Report to the School Board

Academic-Math/Reading

Behavioral

# 15-16 Building Goals

By the end of the 2015-2016 school year 80% of our students will be in the meeting or exceeding categories in Reading as shown on grade level electronic data boards..... 82%

By the end of the 2015-2016 school year 80% of our students will be in the meeting or exceeding categories in Math as shown on grade level data boards..... 75%

Students will decrease the number of referrals for defiance, disruption, disrespect, and physical aggression compared to the 2014-2015 school year..... Successful in 3/4 (not defiance)

# 16-17 Building Goals

## Academic

Every grade has a specific Math/Reading Goal

## Behavior

PBIS team will be reviewing previous year's data, having discussions, and will create this goal this week.
