

MONDOVI HIGH SCHOOL 2016-2017 SCHOOL IMPROVEMENT GOALS

1) The high school staff will foster improved student achievement on the ACT Test Suite (Plan, Aspire, ACT) using alignment of curriculum to State Standards and test item analysis to improve our standards-based instruction and assessment. Specifically, we will achieve the following scoring goals for the ACT:

- Note: Our Five Year Average ACT score for graduating seniors prior to the new State system testing all students was 22.14.
- Beginning in 2014-15 all students (college and non-college bound) are required to take the ACT. Mondovi High School juniors averaged a composite score of 20.3 in 2014-15, and 20.2 in 2015-16.
- **Our goal under the new system is for our 2016-17 juniors to achieve an average ACT composite score of 21.**

2) The high school staff will work together with parents and students to identify, intervene and develop programs for students at-risk of not graduating with their class. The semester single course failure rate will be held to below 7%, the multiple course failure rate will be held below 3%.

| | <u>Single Course Failure Rate</u> | <u>Multiple Course Failure Rate</u> |
|----------------|-----------------------------------|-------------------------------------|
| 2012-13 | 12.4% | 5.1% |
| 2013-14 | 8.95% | 3.9% |
| 2014-15 | 8.88% | 3.95% |
| 2015-16 | 8.3% | 3% |
