Crazy Days of May

At the end of every school year comes what can passionately be referred to as the Crazy Days of May. It's that time where everyone is looking to wrap things up with a culminating activity. The crazy part occurs when the cumulative effect happens all in one month. It's a good crazy, but nonetheless can fill a calendar of events to its maximum capacity.

The School District of Mondovi students and staff hope that you will be able to join us in some, or all, of the following list of events as we close out the 2015-2016 school year. Thanks for all of your community support! Go Buffs!
