

Mondovi Middle School Summer Reading 2018

Summer is here and with it lots of time for recreational reading. Our summer reading program is designed to help students understand that reading is an enjoyable pastime and that we read for pleasure as well as to acquire information. It is not a secret that reading skills improve with practice so it then becomes even more entertaining. Making time in the day to read is good for the mind and it is a wonderful way to reduce the noise, stress and stimulation often associated with busy lives in our fast paced world. It is well known that reading is essential to providing a solid basis for academic achievement.

Middle School reading class requires that each student fill in reading logs during the school year. Our premise is that the more recreational reading you do, your lexile will improve. Therefore, our summer reading program in the middle school will be requiring you to keep track of your reading minutes on the days you read. Then, tally your minutes each month. You need to read a minimum of four fiction and/or non-fiction books of your choice this summer. If you read more, great! Keep up the good work!

Summer Reading Requirements for students entering 6th, 7th, or 8th grade:

1. Students need to set a personal reading goal.

What will you read over the summer? It is different for everyone. However it is important to read non-fiction as well as fiction text. Check out public libraries, local bookstores, online bookstores, audio books, and don't forget to share books with friends.

2. Students **MUST** read a **MINIMUM** of 4 “good fit” age appropriate books, nonfiction and/or fiction.

Your personal reading goal may be higher – that's awesome! Remember four “good fit” age appropriate books are the **MINIMUM** to be eligible to take part in the summer reading celebration event in the fall. Research indicates everyone should read 15 minutes a day to keep an appetite for reading all summer long. ALL reading counts. Books, magazines, street signs and billboards, restaurant menus, recipes, newspaper stories, (age-appropriate) blogs and websites and more. You should seize every available opportunity to devour the written word.

3. You **MUST** fill out the attached reading logs with your minutes. The completed reading logs must be turn it in to Mrs. Sandberg, MS Reading Teacher no later than Mon., Sept. 10, 2018.

A place to record the title and author of the “good fit” age appropriate books you read is found at the bottom of each month. The monthly reading logs are attached but will be available as well by clicking on the MS Summer Reading Program/Log link on the Middle School Home page.

4. Students can read what they want!

Free choice is an important component of this program. Students are encouraged to read at their appropriate reading level. **Visit the Mondovi Public Library** this summer to find great fiction and non-fiction “good fit” age appropriate books.
